PDP: Mission Grants - very simple email application

Colleagues,

Elder and Moderator of Common Life Phyllis Baum and I want to simplify and expedite the Missional Grants for 2021.

We encourage you to consider a missional grant with Palo Duro Presbytery. Again, we have a humble sum of \$15,000.00 to grant to Palo Duro churches to apply to their individual church's direct or indirect ministries. In the past for example, we have granted monies to help fund a pastor's salary and we have granted monies for a church's alliance with Meals on Wheels in their community.

We've all been stymied by the existing complex application. Common Life wants to ask again for you to **apply via this email to myself or the Common Life Moderator with the answer to 5 questions:**

1. Church name and contact name
2. Contact name and email and physical address (if different) of proposed grant or charity
3. Affirm that this request has the support of the church Session
4. What is the grant for? How much of the \$15000.00 are you requesting?
5. How have you made this mission a distinguishing mark of your church?

Please **submit by Dec. 1 to Phyllis or me.** Hope this makes it simple. These grants are a way your Palo Duro Presbytery can be a connectional church with you.

Scott
