Grace and Peace to you from our Lord and Savior, Jesus Christ!

First Presbyterian Church Sweetwater is eager to welcome you here for the 153rd meeting of Palo Duro Presbytery, September 30- October 1, 2022!

I believe you will find your accommodations inviting and comfortable. Many of our motels are newer construction buildings and are quite beautiful as well as being friendly places.

Sweetwater is a great place to visit and is home to two museums, the Pioneer Museum is housed in the old Ragland House which was built in 1906. Sweetwater is also home to the WWII National WASP Museum which is dedicated to honoring the life and legacy of the Women Airforce Service Pilots. This museum preserves the legacy of Avenger Field on which most of these brave women trained. They work to educate and inspire all current and future generations with the story of the WASP – the first women to fly America’s military aircraft ---women who brought honor to our nation and forever changed the role of women in military and civilian aviation. If time allows while you are here, visit one or both of these wonderful museums.

In the spring, the population of Sweetwater swells to unbelievable numbers as they host the annual Rattlesnake Roundup. During that weekend 10’s of thousands of people visit. The coliseum is full of snake wranglers, snakes and spectators. You can even sample the snake meat cooked! (Pssss! It doesn’t taste like chicken!)

When you arrive in town you will be greeted by smiling faces and warm hugs. You will find adorable shops downtown, a wonderful coffee house and food! I hope you will be able to come early or stay late to experience some of what Sweetwater has to offer!

We are eager to see you at the meeting and around town.

In Christ’s love,
Kathy Monroe
