Church Leadership Connection

The Call System for the Presbyterian Church (U.S.A.)

We are an inclusive and friendly church seeking to help others achieve Love in Action. We follow Jesus and work to inspire others with Scripture through worship, prayer, relationships, missions and outreach. Everyone is Welcome!

How do you feel called to reach out to address the emerging needs of your community or constituency:

Scripture tells us through the example of Jesus to feed the hungry, clothe the naked, and minister to the poor. Currently our congregation is involved in several missions both locally and internationally including Lubbock Impact, Meals on Wheels, South Plains Food Bank. NOROC (New Opportunities for Romanian Orphaned Children) is our International mission and is supported through both financial support and volunteering. We feel called to reach out to the rapidly growing community around us and so do by our weekly services and SS programs as bible study and our music program. Our new pastor would provide leadership in discovering and expanding the potential and evolving needs of our immediate area. Together alongside with the pastor, we will act on these needs.

How will this position help you to reach your vision and mission goals:

Our new pastor will be actively involved in helping us meet our vision and with our congregation mission goals and lead us in overall growth and local community service. Currently, Lubbock is the 11th largest city in Texas and projected to expand in the coming years. First Presbyterian Church fronts the new Loop 88 that is currently under construction and is expected to take a number of years to complete. FPC's visibility will increase exponentially with the construction and completion of this project. Our new pastor will guide us through this transitional phase and into our next chapter of growth, expansion, and outreach.

Provide a description of the characteristics needed by the person who is open to being called to this congregation and or organization:

- Organized, enthusiastic leader with a vision to help to guide our church in growth and becoming a vital part of our growing community.
- Genuine in that he/she is willing to share their story and life on a personal level in order to relate to others.
- Someone with a heart for people ministering in the congregation as well as through our community outreach.

- Coordinate Sunday Worship.
- Ensure appropriate congregational care and /or visitation
- Arrange follow up with Sunday Worship visitors.
- Identify and implement program needs in order to meet our church vision and goals.
- Manage building and church staff.
- Ensure development and implementation of church policy and procedures.
