

Ministry Discernment Profile (MDP) Map

Congratulations on your New Minister!

- 5. Notify of a Call**
 - You can notify CLC when you have found a candidate for the position. The system will remove the PDP and MDP matched.
- 4. Computer Matching**
 - On your Manage Matching Criteria, select a number on each of the descriptors.
 - On View matching PDP results, click on Request Rematch.
 - Evaluate each of the PDPs and select an action for each of them before requesting another rematch.
 - Invite candidates of interest to apply.

- 1. Creating the Clerk of Session Account**
 - COM will invite you to register on the website. If you have not received the registration email, go to pcusa.org/clc
 - Click on the New CLC system LOGIN link.
 - Press the sign-up button and enter in your details to create your account.
 - Confirm the creation of your account by email.

Wait for your Presbytery's COM Chair approval to your role.

 - Log in and complete your Profile Information, Ministry Profile, and Form Committee.
 - Invite the PNC Chair and PNC Members to use the System.
- 2. Entering the MDP**
 - PNC Chair will start creating the MDP.
 - The MDP must contain what has been agreed on with the Session and COM.
 - After filling out the 7 sections of the MDP, you can submit them for review and approvals.
- 3. Approvals.**
 - The Clerk of Session must log into CLC and approve the MDP.
 - The COM Chair must log into CLC and approve the MDP.
 - The MDP will be released automatically, and you can begin requesting matches.
