2024 Ministry Support Grant

The Common Life Ministry of Palo Duro Presbytery is constantly reviewing guidelines for the administration of Ministry Support Grants. Currently, these guidelines are as follows.

1. The grant application is to be approved by the Session of the congregation before its submission to the committee.
2. Commitments for these grants are made on an annual basis (with application in November for the year following). Decisions will be made this year.
3. All churches have the Christian responsibility of exercising good stewardship, which means making its members aware of the financial needs of the Presbyterian Church (U.S.A.) and providing a means for its members to respond financially to these needs. Therefore, it is required that every church receiving a Ministry Support Grant prepare an annual budget based on needs rather than on the anticipated grant and that the information will be shared with the congregation.
4. Each church that receives a Ministry Support Grant is encouraged to seek long-term solutions and budgeting programs independent from the Ministry Support Grant and to share its long-range financial needs and program goals with the Presbytery's Common Life Ministry.
5. Applications should be typed, if possible. A fillable PDF application is on the presbytery's website (www.paloduropresbytery.org/resources) linked to the Resource page.

The attached Ministry Grant Application must be completed in its entirety and emailed to melissa@paloduropresbytery.org or returned to Palo Duro Presbytery, P.O. Box 16267, Lubbock, TX 79490. Applications must be **received no later than noon on December 10, 2024**. No action will be taken on incomplete applications. The grants for 2024 will be awarded at the Presbytery's Common Life Ministry meeting on a date yet to be announced.
